Experience

Non-Profit Site Little Rock, AR
This past year I worked with fellow classmates to build a site for a non-profit organization based here in Little Rock named the Arkansas Freedom Fund, which helps to support Veterans and their families. I was in charge of HTML, photo editing and content management.

Non-Profit Site Little Rock, AR
I've worked with a student organization to build a site for a non-profit organization here in Little Rock called Kids Soccer Africa. I worked on photo editing and content management.

Help Desk (Dedicated Logistics) Crossett, AR
This past summer I was able to work as a help desk technician at Dedicated Logistics. I monitored their servers, helped run wires, updated their website and do basic computer setup and maintenance.
